

The image shows a circular logo with a dark gray background. In the center, the letters 'TK' are written in a bold, white, sans-serif font. The 'T' is on the left and the 'K' is on the right, both rendered in a clean, modern style. The logo is centered within the circle, and the overall image has a pixelated or dithered appearance, suggesting it might be a low-resolution scan or a digital graphic with a limited color palette.
